ABOUT US

Luxury Marble Company was established and is a branch of Thimaar International Company in the year 1983 It is currently one of the largest marble companies

While keeping pace with the Omani renaissance, Thamar Al-Alamiya provided luxury and aesthetics in the forms of marble and unprecedented elegance and beauty for permanent and creative designs of architects and Owners.

The company has a good reputation through its projects of service after and before supply.

Through luxury for marble we work to make your dreams come true

OUR STORY

Our story at **Luxury Marble** for Marble and Granite is defined by a timeless connection to the artistry of natural stones. Marble, a medium that predates humanity, has been our canvas for over two decades. Since our establishment in 1983, we have evolved into an international leader in the Natural Stone industry, shaping innovation and technology in every slab.

Born out of an unwavering passion and deepening professionalism, **Luxury Marble** has become synonymous with quality craftsmanship. Our roots trace back to the heart of Muscat Oman, where the largest natural stone factory stands as a testament to our commitment to cutting-edge technology. With over 9 distribution warehouses and a global presence, we have etched our mark on the industry.

At the core of our mission is the vision to stand at the forefront of the world-wide Natural Stone business. We strive for continuous innovation, developing products, systems, and services to ensure a satisfied customer base, create shareholder value, and nurture a motivated and qualified staff. Our values-performance, success, integrity, motivation, and flexibility-are the pillars on which our success is built.

In our pursuit of excellence, technology plays a pivotal role. **Luxury Marble** invests substantially in cutting-edge machines, offering innovative solutions that align with the latest market trends. Whether your taste leans towards classical elegance or modern chic, and regardless of your budget, **Luxury Marble** is here to guide you in turning your space into the haven of your dreams.

Luxury Marble Factory for marble and granite stands as a comprehensive center of stone craftsmanship, featuring a well-organized infrastructure. The journey begins in the impressive showroom, displaying a diverse range of marble and granite products. The manufacturing department, equipped with cutting-edge international machines, transforms raw materials into exquisite pieces. Waterjet and CNC departments contribute advanced technology for intricate designs. Block warehouses ensure a constant supply of high-quality raw materials, with a finishing and curing department refining each piece. The factory emphasizes innovation with a dedicated engineering department, while an integrated administration building facilitates coordination. Recognizing the demand for porcelain, a separate warehouse offers diverse options. Luxury Marble Factory combines traditional craftsmanship with modern technology for exceptional marble and granite products

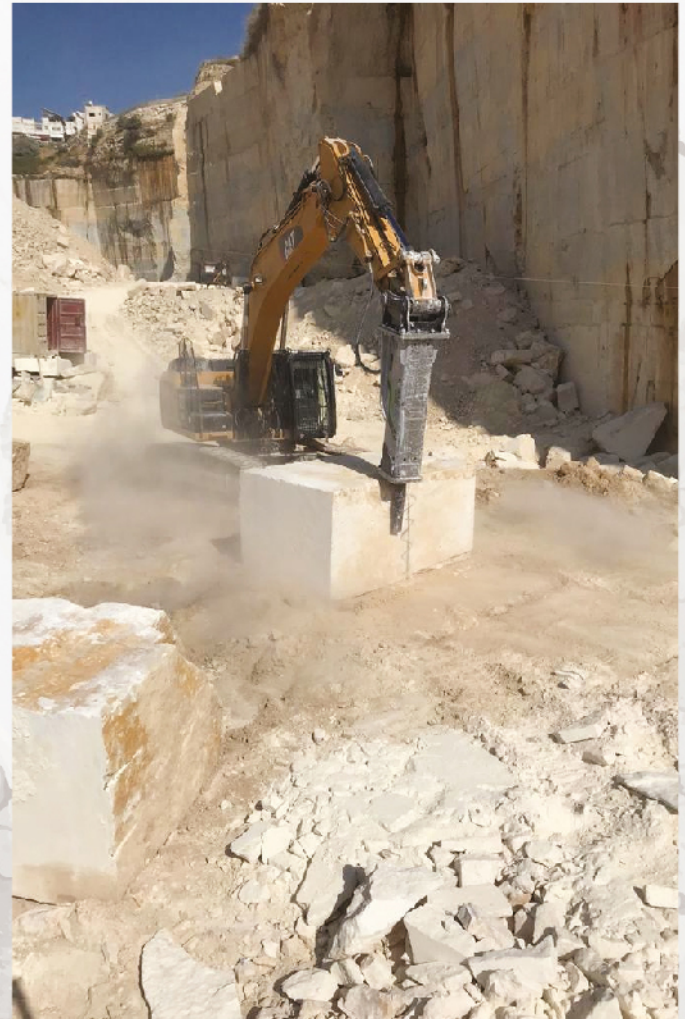

Our in door Designer

Through specialized engineers, all types of designs can be discussed before ordering and preparing the appropriate design

Our quarries

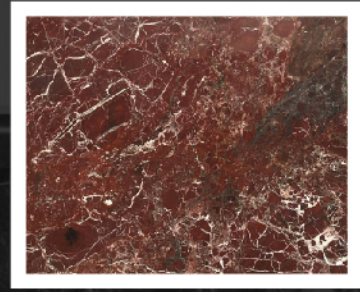

Setting us apart, our company boasts exclusive ownership of premium stone quarries. This direct control ensures a consistent and superior supply of high-quality materials, allowing us to deliver exquisite products that meet the unique needs of our clients. With our own quarries, we take pride in offering a seamless and reliable source of top-notch stones, reaffirming our commitment to quality and excellence in the industry."
